Your network can also see actions you have taken on our Products, and communicate with you.</p> <p>We work with third-party partners who help us provide and improve our Products or who use Facebook Business Tools to grow their businesses, which makes it possible to operate our companies and provide these services to people around the world. We don't sell any of your information to anyone, and we never will. We also impose strict restrictions on how our partners can use and disclose the data we provide. Here are the types of third parties we share information with:</p> <p>Partners who use our analytics services</p> <p>We provide aggregated statistics and insights that help people and businesses understand how people are engaging with their posts, listings, Pages, videos and other content on and off the Facebook Products. For example, Page admins and Instagram business profiles receive information about the number of people or accounts who viewed, reacted to, or commented on their posts, as well as aggregate demographic and other information that helps them understand interactions with their Page or account.</p> <p>Advertisers</p> <p>We provide advertisers with reports about the kinds of people seeing their ads and how their ads are performing, but we don't share information that personally identifies you (information that is not yours).</p>	<p>N/A</p> <pre> <script type="text/javascript"> window_adtrack = Array.isArray(window_adtrack) ? window_adtrack.push({ opt: true, divider: encodeURI(component), pageName: encodeURI(componentName) }) : (function() { var s = document.createElement('script'); s.type = 'text/javascript'; s.src = 'https://www.facebook.com/tr/?id=1013738725342981&ev=PageView&noscript=1'; document.getElementsByTagName('script')[0].parentNode.appendChild(s); })(); </script> </pre>
<p>Google Campaign Manager</p>	<p>Google Floodlight</p>	<p>DSID, HSID, IDE, AD, DSID, NID, SID and TAD</p> <p>Up to 60 (30) days</p> <p>A Floodlight allows you to track and report on conversions — the actions of users who visit your site after viewing or clicking on one of your ads — and to set up an account, which enables list of users whose performed specific actions on a site, then makes these users available for targeting by subsequent campaigns.</p>	<p>Google</p>	<p>Anyone with given access to the Google Marketing Platform</p> <p>Anyone with given access to the Google Marketing Platform</p>	<p>N/A</p> <pre> <script type="text/javascript"> var s = document.createElement('script'); s.type = 'text/javascript'; s.src = 'https://www.facebook.com/tr/?id=1013738725342981&ev=PageView&noscript=1'; document.getElementsByTagName('script')[0].parentNode.appendChild(s); </script> </pre>
